

When the Downtown Thrives the Community Thrives

A strong vibrant downtown is the heart of a community. Let's make Downtown Gardiner a great place to live, work and play for people of all ages!

Gardiner Main Street is a non-profit organization that relies on broad based community support. We simply could not do our work without the kind generosity of residents, businesses, organizations and of course the City. Please help us continue to make Gardiner a better place for our families and future generations.

A BIG thank-you to our investors! With 81 local individuals, families, business and property owners investing in Downtown, we CAN make a difference. A very special thank you to our major donors:
